

# It's a **FRESH DELICIOUS** Scavenger Hunt! *for the Farmers' Market*

Can you find...

Something **round like a baseball**. What is it?

Something in a jar. What is it?

Something that looks like a **green submarine**. What is it?

Something that grows on a vine? What is it?

Something shaped like a bell. What is it?

Something that turns **your lips and teeth and tongue from regular to purple-blue**. What is it?

Something that grows underground. *What is it?*

Something yellow. What is it?

Something with a **baby-fuzz cheek**. What is it?

Something that looks like **a mountain of mouse-sized swords**. What is it?

Something that's red on the inside. What is it?

Something that looks like **schooling fish** and **swim[s] in bins**. What is it?
