

# Invent Your Own Words

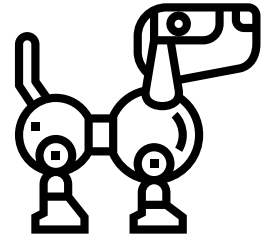

Each year new words are added to the dictionary.

Imagine what new words will exist 5 years or 25 years from now. When you're a writer writing a dystopian story set in the future, you can make words up!

Cut out these words from D-39:

*A Robodog's Journey* and pair them to create new words of your own!

Write a definition for each.

sky

sail

death

stretch

quirk

face

joy

slammed

flip

furious

green

season

jingle

snap

puddle

glum

zap

jawed

**skysail**=kite; **deathstretch**=war; **quirkface**=smile; **joyslammed**=happy; **flipfurious**=mad; **greenseason**=spring; **jinglesnap**=a quick moment; **puddleglum**=sad; **zapjawed**=surprised
